Take up with absorbent material (sand, peat, etc.). Do not dump on soil. Effected items and soil have to be cleaned in accordance to the law regulations.

7. Handling and Storage

Store away from heat and sunlight to avoid decantation. No explosion hazards. No dangerous goods.

8. Exposure Controls and Personal Protection

Avoid contact to eyes.

9. Physical and Chemical Properties

Form : paste at 20°C
 Colour : white
 Odour : none
 Melting range : starting at ca. 45°C
 Boiling range : starting at ca. 100°C
 Flash point : ca. 250°C
 Ignition point : n.a.
 Vapour pressure : n.a.
 Density : ca. 0,91 g/ml at 20°C
 pH-value : as 10% water emulsion 7,5 - 8

10. Stability and Reactivity

No dangerous reactions.
Keep away from sunlight and heat to avoid ageing.

11. Toxicological Information

No toxicological effects known.

12. Ecological Effects

This product shows a decrease in BiAs of 80% and thus complies with all regulations.

13. Disposal Considerations

Do not stock together with house-waste according to local law regulations or apply incineration.

14. Transport Information

No dangerous goods with respect to transport regulations.

15. Regulatory Information

Labelling : no labelling according to EC regulations.
Symbols : none.

16. Other Information

This is the only and true Safety Data Sheet and replaces all others.
The data provided in this Safety Data Sheet is based on informations I.C.P. believes reliable and is supplied for informational purposes only. I.C.P. cannot accept liability for any loss, injury, or damage which may result from the use of the product.
